**Subject:** RE: Haystack Shapefiles

Thanks Alex! We'll let you know if we run into any questions.

Thanks,  
Drew

Drew - you should be able to download the Surface Gamma, Offsite Gamma, and TCRA Shapefiles at the link below.

Note that the Surface Gamma data was collected using a 3x3, and the Offsite Gamma data was collected with a 2x2, so the CPM info is on a different scale.

Also, I believe the Red TCRA shapefiles you requested were actually created by BNSF, so I don't have access to those.

Alex
